

LIST OF ONGOING PROJECTS UNDER EAMCEF SUPPORT

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
Protected Areas Management							
1	60/2010/PA/EU	Improvement of Eco-tourism Facilities in ANR for Biodiversity Conservation and Poverty Alleviation of the Adjacent Communities	Amani Nature Reserve	Muheza and Korogwe	Conservator, Amani Nature Reserve (TFS)	12,000,000.00	<ul style="list-style-type: none"> • Renovation of the ANR Information Centre done and completed • Maintenance of tourist sites (picnic sites, botanical garden, view points, historical sites, nature trails, drive routes and camp sites) done as planned. • Held one workshop for ecotourism stakeholders • Successfully prepared 1,500 brochures and 500 posters and distributed to stakeholders • 2 TV programmes prepared and broadcasted by TBC and ITV
2	29/2010/PA/UD	Forest Boundary Maintenance of USFR for Conservation of Biodiversity and Improvement of Livelihood Status of the Adjacent Communities- Kilombero District.	USFR	Kilombero	DED Kilombero /RCFM (TFS) Morogoro	7,200,000.00	<ul style="list-style-type: none"> • Successfully conducted 2 patrols • Preparation for holding a conflict resolution meeting completed • Boundary screefing of the USFR boundary ongoing well • Successfully procured 4 tyres for one vehicle • One vehicle serviced as planned • Motorcycle tyres procured and fixed as planned • One motorcycle serviced as planned • Various stationeries procured as planned • Successfully paid for due bills • Monitoring of the undertaken activities done as planned
3	63/2010/PA/EU	Forest Protection in Amani Nature Reserve for Improvement of Biodiversity Conservation and Livelihood Status of the Adjacent Communities	Amani Nature Reserve	Muheza and Korogwe	Conservator, Amani Nature Reserve (TFS)	12,000,000.00	<ul style="list-style-type: none"> • Successfully conducted 5 forest patrols inside ANR in collaboration with Natural Resources Committees • Screefing of 29 km of ANR boundary to prevent fires done as planned • 90km of forest boundary cleared to mineral soil • Ten LAC Members visited and verified undertaken activities as planned

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
4	65/2010/PA/EU	General Management and Routine Activities in Nilo Nature Reserve for Biodiversity Conservation and Improvement of Livelihood Status of the Adjacent Communities	Nilo Nature Reserve,	Muheza, Korogwe and Mkinga	Conservator, Nilo Nature Reserve (TFS)	12,000,000.00	<ul style="list-style-type: none"> • Screefing of 75 km of forest boundary undertaken as planned • 6 forest patrols done in collaboration with Natural Recourses committees • Successfully procured one bicycle for field staff • Monitoring of carried out activities in the field done as planned
5	67/2010/PA/EU	Eco-tourism Development in Nilo Nature Reserve for Biodiversity Conservation and Improvement of Livelihood Status of the Adjacent Communities	Nilo Nature Reserve,	Muheza, Korogwe and Mkinga	Conservator, Nilo Nature Reserve (TFS)	15,000,000.00	<ul style="list-style-type: none"> • Successfully maintained 12km of drive route and 22km of nature trails in NNR • Labelling of nature trails and their associated species done and completed • Successfully aired a special TV programme in TBC for marketing NNR • Monitoring of planned activities done as planned
6	33/2010/PA/UD	Routine Forest Management Activities in USFR for Sustainable Conservation of Biodiversity and Improvement of Livelihood Status of the Adjacent Communities- Mufindi District	Uzungwa Scarp Nature Reserve	Mufindi	DED Mufindi/ RCFM (TFS) Iringa	10,000,000.00	<ul style="list-style-type: none"> • Contract signing between RCFM and the villages of Ukami Uhafiwa, Ihimbo & Kipanga for forest boundary management started and ongoing well • Boundary clearing (5km) of the USFR boundary done and completed • Trees survival assessment done and completed • Forest surveillance done as planned • Project staff and 10 LAC Members verified undertaken activities as planned

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
7	39/2010/PA/UD	Boundary Clearing and Tree Planting in KNR for Sustainable Biodiversity Conservation and Improvement of Community Livelihoods	Kilombero Nature Reserve	Kilolo and Kilombero	Conservator, Kilombero Nature Reserve	15,000,000.00	<ul style="list-style-type: none"> • Successfully signed 14 contracts between KNR and 14 villages adjacent to KNR for the management of nature reserve boundary • Successfully cleared to mineral soil, 45km of KNR boundary • Successfully planted 5,000 tree seedlings along KNR boundary • Successfully carried out 3 participatory forest patrols • Ten LAC Members successfully visited and verified undertaken activities
8	50/2010/PA/UD	Protection of Uzungwa Scarp Forest Reserve for Sustainable Biodiversity Management and Improvement of Community Livelihoods- Kilolo District	Uzungwa Scarp Nature Reserve	Kilolo	DED Kilolo/RCFM (TFS) Iringa	10,000,000.00	<ul style="list-style-type: none"> • Successfully signed 6 contracts for forest boundary management • Forest surveillance done as planned • Boundary clearing successfully done along 30km of reserve boundary • Monitoring of carried out activities done as planned
9	54/2010/PA/UD	Establishment and Maintenance of Walking Nature Trails and Camp Sites in KNR for Sustainable Management of Biodiversity and Improvement of Community Livelihoods	Kilombero Nature Reserve	Kilolo and Kilombero	Conservator, Kilombero Nature Reserve (TFS)	15,000,000.00	<ul style="list-style-type: none"> • Successfully signed 19 contracts between KNR and 19 villages adjacent to KNR for the management of ecotourism infrastructures • Successfully maintained 20km of nature trails, 10 camp sites and 3 view points as planned • Three (3) camp sites were establishes at Mbingu range • Preparation and installation of 40 signboards done and completed • Successfully prepared and broadcasted 2 TV programmes • Ten LAC Members visited and verified undertaken activities as planned

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
10	84/2010/PA/UD	Preparation of Management Plan for Uzungwa Scarp Forest Reserve	USFR,	Mufindi, Kilolo and Kilombero	DED Kilolo/ RCFM (TFS) Iringa	7,410,000.00	<ul style="list-style-type: none"> • Successfully held introductory meetings with the village councils for 14 villages of Ihimbo, Uhafiwa, Kipanga, Ukami, Uluti, Mbawi, Masisiwe, Idegenda, Ilutila, Itonya, Ikule, Mkangawalo, Chita & Udagaji adjacent to the USFR in Kilolo, Mufindi and Kilombero districts. • Successfully undertaken reconnaissance surveys in USFR and collected the required information for the preparation of Management Plan • Successfully undertaken literature search and collected the required information for preparation of management plan for USFR • Successfully prepared and operationalized the Management Plan for USFR
11	01/2012/PA/SP	Routine Forest Management and Ecotourism Activities in Chome Nature Reserve (CNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Chome Nature Reserve	Same	Conservator, Chome Nature Reserve (TFS)	28,000,000.00	<ul style="list-style-type: none"> • Baseline data collection started and ongoing well • Three forest patrols successfully done • Boundary clearing done along a portion of 10km • Successfully established 5km fire line • Rehabilitation of forest areas degraded through illegal mining (2ha) done and completed • Successfully procured and distributed to group members, 100 each for tree seeds and polythene tubes • Maintenance of nature trails (8km) done and completed • Maintenance of drive routes (6km) done and completed.
12	02/2012/PA/WU	Routine Forest Management and Ecotourism Activities in Magamba Nature Reserve (MNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Magamba Nature Reserve	Lushoto and Korogwe	Conservator, Magamba Nature Reserve (TFS)	26,000,000.00	<ul style="list-style-type: none"> • Collection of baseline information for the planned activities done and completed • Conducted 60 joint patrols • Successfully cleared 70km forest boundary • Successfully prepared and installed 30 awareness raising signboards • Successfully procured and planted on forest boundary and gaps 8,000 tree seedlings • Successfully maintained 20km of nature trails • Tending of planted trees done as planned • Monitoring of the undertaken activities done as planned

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
13	03/2012/PA/EU	Routine Forest Management and Ecotourism Activities in Nilo Nature Reserve (NNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Nilo Nature Reserve	Korowe, Muheza and Mkinga	Conservator, Nilo Nature Reserve (TFS)	22,000,000.00	<ul style="list-style-type: none"> • Impact assessment of the previous project activities started and ongoing well • Forest surveillance started and ongoing well • Preparation of beacons started and ongoing well • Forest boundary maintenance started and ongoing well • Maintenance of nature trails and drive route started and ongoing well
14	04/2012/PA/EU	Routine Forest Management and Ecotourism Activities in Amani Nature Reserve (ANR) for Biodiversity Conservation and Improvement of Community Livelihoods	Amani Nature Reserve	Korogwe and Muheza	Conservator, Amani Nature Reserve (TFS)	24,000,000.00	<ul style="list-style-type: none"> • Impact assessment of the previous project activities started and ongoing well • Forest surveillance started and ongoing well • Preparations for rehabilitation of water system at Zigi rest house ongoing well • Forest boundary clearing started and ongoing well • Fire line clearing started and ongoing well • Maintenance of nature trails started and ongoing well • Follow up and monitoring of the ongoing activities going on well
15	05/2012/PA/UL	Routine Forest Management and Ecotourism Activities in Uluguru Nature Reserve (UNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Uluguru Nature Reserve	Morogoro Municipality, Morogoro Rural and Mvomero	Conservator, Uluguru Nature Reserve (TFS)	25,000,000.00	<ul style="list-style-type: none"> • Baseline data collection for the planned activities started and ongoing well • Fifteen (15) forest surveillance successfully done • Ten (10km) forest boundary successfully cleared to mineral soil • Prepared and installed 10 awareness signboards • Successfully procured 4,000 tree seedlings and planted on the nature reserve boundary • Maintenance of nature trails started and ongoing well • Monitoring of carried out activities ongoing well

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
16	06/2012/PA/NG	Routine Forest Management and Conservation Activities in Mkingu Nature Reserve (MkNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Mkingu Nature Reserve	Mvomero	Conservator, Mkingu Nature Reserve (TFS)	24,000,000.00	<ul style="list-style-type: none"> • Baseline data collection done and completed • Successfully undertook 20 forest surveillance • Forest boundary clearing (30km) done and completed • Procurement and planting of 10,000 tree seedlings done and completed • 5ha crops were slashed as planned • Preparation and installation of 4 signboards done as planned • Successfully maintained one motorcycle as planned • Follow up and monitoring of planned activities done as planned
17	07/2012/PA/UD	Routine Forest Management and Ecotourism Activities in Kilombero Nature Reserve (KNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Kilombero Nature Reserve	Kilolo and Kilombero	Conservator Kilombero Nature Reserve (TFS)	24,000,000.00	<ul style="list-style-type: none"> • Impact assessment of the previous project activities done and completed • Undertook 10 forest surveillances • Ten (10km) of nature reserve boundary successfully cleared • Successfully procured and planted on the nature reserve boundary 3,000 tree seedlings • Maintenance of 20km nature trails done as planned • Maintenance of 12 camp sites done and completed • Preparation and installation of 10 awareness raising signboards done and completed • Follow up and monitoring of undertaken activities ongoing well
18	08/2012/PA/UD	Routine Forest Management and Conservation Activities in Uzungwa Scarp Nature Reserve (USNR) for Biodiversity Conservation and Improvement of Community Livelihoods- Kilombero District	Uzungwa Scarp Nature Reserve	Kilombero	Regional Catchment Forestry Office-Morogoro (TFS)	10,000,000.00	<ul style="list-style-type: none"> • Impact assessment of the previous project activities started and ongoing well • 10 forest surveillance done • Screefing of 5km of the nature reserve boundary done and completed • Successfully prepared and installed 5 awareness raising signboards • Follow up and monitoring of carried out activities ongoing well

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
19	09/2012/PA/UD	Routine Forest Management and Conservation Activities in Uzungwa Scarp Nature Reserve (USNR) for Biodiversity Conservation and Improvement of Community Livelihoods-Kilolo District	Uzungwa Scarp Nature Reserve	Kilolo	Regional Catchment Forestry Office-Iringa (TFS)	8,000,000.00	<ul style="list-style-type: none"> • Impact assessment of the previous project activities done and completed • Successfully undertook 5 forest surveillances • Successfully maintained 15km of nature reserve boundary • Successfully prepared and installed 4 awareness signboards • Follow up and monitoring of undertaken activities ongoing well
20	10/2012/PA/UD	Routine Forest Management and Conservation Activities in Uzungwa Scarp Nature Reserve (USNR) for Biodiversity Conservation and Improvement of Community Livelihoods-Mufindi District	Uzungwa Scarp Nature Reserve	Mufindi	Regional Catchment Forestry Office-Iringa (TFS)	8,000,000.00	<ul style="list-style-type: none"> • Impact assessment of the previous project activities started and ongoing well • Undertook 10 forest surveillance • Successfully undertook forest boundary screefing (5km) • Identification of areas with crops was done, preparations for slashing ongoing well • Successfully prepared and installed 4 awareness raising signboards • Follow ups and monitoring of carried out activities ongoing well
21	11/2012/PA/UD	Routine Park Management and Tourism Activities in Udzungwa Mountains National Park (UMNP) for Biodiversity Conservation and Improvement of Community Livelihoods	Udzungwa Mountains National Park	Kilombero and Kilolo	Chief Park Warden, Udzungwa Mountains National Park (TANAPA)	25,000,000.00	<ul style="list-style-type: none"> • Baseline data collection done and completed • Procurement of materials for making beacons started and ongoing well • Park boundary clearing started and ongoing well • Maintenance of nature trails started and ongoing well • Successfully prepared and installed 2 awareness raising signboards • Follow up and monitoring of carried out activities ongoing well

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
22	01/2013/PA/SP	Routine Forest Management and Ecotourism Activities in Chome Nature Reserve (CNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Chome Nature Reserve	Same	Conservator-Chome Nature Reserve	28,000,000.00	<ul style="list-style-type: none"> ● Impact assessment for the previous project activities supported by EAMCEF in the project site ● Undertaking forest surveillance ● Undertaking forest boundary maintenance ● Undertaking fire line management ● Rehabilitating degraded forest areas ● Establishing tree nursery ● Planting indigenous trees on degraded areas ● Undertaking maintenance of nature trails ● Updating CNR Website ● Making follow up and monitoring of carried out activities
23	02/2013/PA/WU	Routine Forest Management and Ecotourism Activities in Magamba Nature Reserve (MNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Magamba Nature Reserve	Lushoto and Korogwe	Conservator-Magamba Nature Reserve	26,000,000.00	<ul style="list-style-type: none"> ● Impact assessment for the previous project activities supported by EAMCEF in the project site ● Undertaking forest surveillance ● Undertaking forest boundary maintenance ● Planting indigenous trees on degraded areas ● Conducting boundary weeding ● Undertaking maintenance of nature trails and drive routes ● Making follow up and monitoring of carried out activities
24	03/2013/PA/ EU	Routine Forest Management and Ecotourism Activities in Nilo Nature Reserve (NNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Nilo Nature Reserve	Korogwe, Muheza and Mkinga	Conservator-Nilo Nature Reserve	22,000,000.00	<ul style="list-style-type: none"> ● Impact assessment for the previous project activities supported by EAMCEF in the project site ● Undertaking forest surveillance ● Undertaking forest boundary maintenance ● Undertaking maintenance of nature trails and drive routes ● Marketing NNR through media ● Making follow up and monitoring of carried out activities

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
25	04/2013/PA/EU	Routine Forest Management and Ecotourism Activities in Amani Nature Reserve (ANR) for Biodiversity Conservation and Improvement of Community Livelihoods	Amani Nature Reserve	Muheza and Korogwe	Conservator-Amani Nature Reserve	24,000,000.00	<ul style="list-style-type: none"> ● Impact assessment for the previous project activities supported by EAMCEF in the project site ● Undertaking forest surveillance ● Undertaking forest boundary maintenance ● Undertaking maintenance of nature trails and drive routes ● Updating ANR Website ● Making follow up and monitoring of carried out activities
26	05/2013/PA/UL	Routine Forest Management and Ecotourism Activities in Uluguru Nature Reserve (UNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Uluguru Nature Reserve	Morogoro, Mvomero and Morogoro Municipality	Conservator-Uluguru Nature Reserve	25,000,000.00	<ul style="list-style-type: none"> ● Impact assessment for the previous project activities supported by EAMCEF in the project site ● Undertaking forest surveillance ● Undertaking forest boundary maintenance ● Improving ecotourism infrastructure ● Establishing tree nursery ● Undertaking forest gap planting with indigenous trees ● Making follow up and monitoring of carried out activities
27	06/2013/PA/NG	Routine Forest Management and Conservation Activities in Mkingu Nature Reserve (MkNR) for Biodiversity Conservation and Improvement of Community Livelihoods	Mkingu Nature Reserve	Mvomero	Conservator-Mkingu Nature Reserve	24,000,000.00	<ul style="list-style-type: none"> ● Impact assessment for the previous project activities supported by EAMCEF in the project site ● Undertaking forest surveillance ● Undertaking forest boundary maintenance ● Establishing tree nursery ● Undertaking forest gap planting with indigenous trees ● Undertaking crops slashing and eviction of encroachers ● Making follow up and monitoring of carried out activities

31	10/2013/PA/UD	Routine Forest Management and Conservation Activities in Uzungwa Scarp Nature Reserve (USNR) for Biodiversity Conservation and Improvement of Community Livelihoods-Mufindi District	Uzungwa Scarp nature Reserve	Mufindi	Mufindi District Forestry Manager (TFS)	8,000,000.00	<ul style="list-style-type: none"> Impact assessment for the previous project activities supported by EAMCEF in the project site Undertaking forest surveillance Undertaking forest boundary maintenance Making follow up and monitoring of carried out activities
32	11/2013/PA/UD	Routine Park Management and Tourism Activities in Udzungwa Mountains National Park (UMNP) for Biodiversity Conservation and Improvement of Community Livelihoods	Udzungwa Mountains National Park	Kilombero and Kilolo	Chief Park Warden-UMNP	25,000,000.00	<ul style="list-style-type: none"> Impact assessment for the previous project activities supported by EAMCEF in the project site Undertaking parks boundary maintenance Improving tourism infrastructure Making follow up and monitoring of carried out activities
Total Protected Areas Management						563,610,000.00	
Community Development and Conservation							
33	01/2010/CD/EU	Improvement of Community Livelihoods for Sustainable Biodiversity Conservation in Nilo Nature Reserve-Korogwe District	Nilo Nature Reserve	Korogwe	DED, Korogwe	15,000,000.00	<ul style="list-style-type: none"> 10 sensitization meetings done as planned in the target villages. Formation of groups and establishment of ten (10) group nurseries successfully undertaken Successfully procured and distributed to group members 100kg of tree seeds and 200kg of polythene tubes. Facilitation of tree planting and management of planted trees done as planned 10 sensitization meetings done as planned in the target

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
							<p>villages.</p> <ul style="list-style-type: none"> • Formation of groups and establishment of ten (10) group nurseries successfully undertaken • Successfully procured and distributed to group members 100kg of tree seeds and 200kg of polythene tubes. • Facilitation of tree planting and management of planted trees done as planned • Monitoring of carried out activities done as planned
34	02/2010/CD/EU	Improvement of Community Livelihoods Sustainable Biodiversity Conservation in ANR-Korogwe District	Amani Nature Reserve	Korogwe	DED Korogwe	13,000,000.00	<ul style="list-style-type: none"> • Formation of individual and group tree nurseries successfully done in 8 villages of Shambakapori, Mnyuzi, Kwamzindawa, Mkwakwani, Kwagunda, Gereza, Magunga-Cheke (One nursery in each village) • Successfully procured 72kg of tree seeds and 100 kg of polythene tubes and distributed to group members • Training on nursery management and tree planting done as planned in 8 target villages. • One apiary each was established in the villages of Shamba Kapori, Mnyuzi, Kwamzindawa, Mkwakwani and kwagunda as planned, management ongoing well • 200 villagers (25 in each target village were trained on making improved stoves • Verification and monitoring of carried out activities by LAC Members done as planned
35	06/2010/CD/EU	Facilitating Ex-situ Conservation for the Improvement of Biodiversity Conservation and Community Livelihoods in Amani Nature Reserve – Muheza District	Amani Nature Reserve	Muheza	Tanga Regional Catchment Forestry Office (TFS)	10,000,000.00	<ul style="list-style-type: none"> • Holding of sensitization meetings for the introduction of the project to the targeted villagers done and completed • Formation of nursery and tree planting groups in the villages of Potwe Ndongondo, Potwe Mpirani, Kimbo & Mashewa done and completed • Procurement and distribution to group members , 40kg tree seeds and 120kg polythene tubes done and completed • Procurement and distribution to group members of nursery equipment (8 rakes, 8 shovels, 8 watering cans & 8 wire mesh) done and completed

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
							<ul style="list-style-type: none"> Nurseries establishment was undertaken in the target villages of Potwe Ndongondo, Potwe Mpirani, Kimbo & Mashewa (one in each village). Monitoring of carried out activities ongoing well
36	07/2010/CD/EU	Capacity Building of Kazita Primary School for the Improvement of Biodiversity Conservation in NNR through Conservation Education	Nilo Nature Reserve	Muheza	Kazita Village Government	10,000,000.00	<ul style="list-style-type: none"> The village assembly for introduction of the project held as planned and the project successfully introduced and accepted Building plan was secured as planned Advertisements made and the contractor procured Successfully procured cement, sand and stones Successfully transported building materials to the site Construction of one classroom done and completed Monitoring and supervision done as planned Village Assembly done as planned the classroom was handed over to the School
37	11/2010/CD/EU	Local Chicken Improvement for Poverty Alleviation and Reduction of Illegal Hunting in Nilo Nature Reserve-Korogwe District	Nilo Nature Reserve	Korogwe	DED, Korogwe	7,000,000.00	<ul style="list-style-type: none"> Holding introductory meetings to the planned villages done as planned Production groups formed in the villages of Kijango and Kitivo as planned Training on sustainable local chicken improvement undertaken in Kijango and Kitivo villages Site selection and clearing done as planned Procured construction materials as planned. Construction of chicken bandas done and completed Procurement and distribution to group members 80 local chicken and 8 improved cocks done and completed. Monitoring of carried out activities done as planned
38	36/2010/CD/EU	Integrated Modern Energy Technologies for Sustainable Use of Forest Resources in Amani Nature Reserve-Muheza District	Amani Nature Reserve	Muheza	DED, Muheza	10,000,000.00	<ul style="list-style-type: none"> Awareness meetings held as planned one in each village for the villages of Potwe Ndongondo, Potwe Mpirani, Kimbo, Mashewa, Kisiwani, IBC Msasa, Shebomeza, Mikwinini, Sakale and Mbomole Successfully formed and trained 10 TOT groups one in each village for the villages of Ndongondo, Potwe

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
							<p>Mpirani, Kimbo, Mashewa, Kisiwani, IBC Msasa, Shebomeza, Mikwinini, Sakale and Mbomole</p> <ul style="list-style-type: none"> • Construction of improved stoves conducted well in the target villages of Potwe Ndongondo, Potwe Mpirani, Kimbo, Mashewa, Kisiwani, IBC Msasa, Shebomeza, Mikwinini, Sakale and Mbomole ongoing well • Monitoring of carried out activities by technical staff done as planned • Visiting and verification of the undertaken activities by LAC Members done as planned
39	40/2010/CD/EU	Tree Planting and Fish Farming for Conservation Education in Amani Primary School	Amani Nature Reserve	Muheza	Head Teacher, Amani Primary School	800,000.00	<ul style="list-style-type: none"> • Preparations for the school nursery establishment started and ongoing well • Successfully procured 35kg tree seeds, 50kg polythene tubes, 5 watering cans & 5 rakes for nursery management. • Rehabilitation of school fish pond done and completed • Competition for essay writing on biodiversity conservation done as planned
40	52/2010/CD/EU	Provision of Alternative Sources of Forest Products for the Improvement of Livelihood Status of the Community and Biodiversity Conservation in NNR-Korogwe District	Nilo Nature Reserve	Korogwe	Jitegemee Group- Foroforo Village	2,500,000.00	<ul style="list-style-type: none"> • Successfully procured 14 beehives and distributed to group members • Nursery preparation and management done as planned • Procurement and distribution of 15kg of tree seeds and 100kg of polythene tubes done as planned • Training on tree planting and beekeeping techniques successfully done as planned
41	58/2010/CD/EU	Tree Planting and Beekeeping Development for the Improvement of Community Livelihoods and Biodiversity Conservation in NNR-Mkinga District	Nilo Nature Reserve	Mkinga	DED, Mkinga	8,000,000.00	<ul style="list-style-type: none"> • Awareness raising successfully done for introduction of the project and establishment of group members in 3 villages of Bosha- Kwemtindi, Kuze- Kibago & Kwentili • Successfully procured and distributed 60kg of tree seeds and 200kg of polythene tubes to the target villages • Procurement of 60 beehives for apiary establishment done as planned

SN	Project No.	Name of Project	Target Forest (s)	Target District(s)	Name of Recipient/ Implementer	Total Budget (Tshs)	Major Activities Planned/Undertaken/Ongoing
							<ul style="list-style-type: none"> • Successfully procured and distributed to group members 12 pairs each (Gum boots, overalls, Gloves, bee veils and smokers) • Monitoring and verification of carried out activities was done as planned
42	59/2010/CD/EU	Dairy Goats Husbandry for the Improvement of Community Livelihoods and Biodiversity Conservation in Nilo Nature Reserve-Mkinga District	Nilo Nature Reserve	Mkinga	DED, Mkinga	6,000,000.00	<ul style="list-style-type: none"> • Successfully held awareness raising meetings on the project for the villages of Kwemtindi and Kuzekibago • Successfully mobilized villages and formed 2 groups each with 10 people for dairy keeping • Training on dairy goats husbandry done and completed • Construction of 20 dairy goats bandas done and completed • Procurement and distribution of 20 dairy goats done as planned. • Monitoring and follow up of the undertaken activities ongoing well
43	75/2010/CD/EU	Community Based Ecological Restoration and Livelihoods Improvement for Biodiversity Conservation in Amani Nature Reserve	Amani Nature Reserve	Muheza	DED, Muheza	10,000,000.00	<ul style="list-style-type: none"> • Holding awareness raising meetings for the introduction of the project to the target villages of Shebomeza, Mlesa, Mikwinini, & Mbomole done as planned • Training on tree nursery establishment successfully done in the villages of Shebomeza, Mlesa, Mikwinini and Mbomole • Procured and distributed 100kg of tree seeds and 130kg of polythene tubes as planned • Site selection for apiary establishment successfully done as planned • Procurement and distribution to group members , 45 modern beehives done and completed • Successfully demonstrated the establishment and management of apiary • Follow ups and monitoring of the undertaken activities done as planned • Verification of carried out activities by LAC members done as planned
